

MAJOR ACHIEVEMENTS ARE THE RESULT OF A STRONG PARTNERSHIP

WEALTH STRUCTURING - INSURANCE SOLUTIONS

Foyer International is part of Foyer S.A. the leading Luxembourg financial group, a key player in the economic and financial landscape of Luxembourg. The keys to this strength and longevity are the stability of family ownership. In partnership with private banks, asset managers and family offices, we offer open architecture insurance solutions for a top of the range clientele, meeting the capital preservation,

wealth transmission and mobility needs of European citizens. We create tailor-made cross-border wealth management insurance solutions by working hand in hand with our partners, building on our corporate values, to gain the trust of our mutual clients. *Coming together is a beginning, staying together is progress, and working together is success.* Henry Ford
